Dear Fellow Investor,

Last August, *The New York Times* declared, "Small Investors Leave Stocks!"

Less than a year later, stocks are up 30% -- and now they tell us investors are "overconfident" and that this is "ominous."

But nobody's telling you about the REAL THREAT facing investors like you this summer. Discover what that threat is in a special video message -- and how you can avoid it. Plus a remarkable investment one leading analyst compares to the next Intel and believes can double or even triple your investment.
